

### **Client Communication**

Here at Village Park Animal Hospital we strive to keep up on modern convince. As one of our valued clients we appreciate you and want to stay connected with you to ensure that you receive the fastest response on issues with your pet, are updated with important reminders, and that you have first knowledge of special promotions and events going on at our facility. Please let us know the best way to stay in contact with you and keep you in the loop. Please enter all that apply.
